Aeronautical Consultants

REF : O/RR Staff Study; Panel of Aeronautical Consultants, dated
5 September 1951; your memo same subject, 19 September 1951

1. Your offer to help is appreciated. It is desired that the
three (3) non-government proposed panel members named below

25X1C

25X1C

25X1C

(1) copy of Personal
History Statement with Annex, within not more than one to two days follow-
ing indication of acceptance.

25X1C

"That we need their help in a review and appraisal of foreign
capabilities for the manufacture of aircraft and aircraft engines
from data that has been gathered. That the suggested time for a
meeting in Washington for this purpose be four (4) days in November
of this year. That their knowledge and experience suggest they can
be of great assistance in reviewing our approaches to this problem,
so vitally important to our national security."

3. The individuals to be so approached are:
